

AIR FORCE HISTORICAL FOUNDATION SYMPOSIUM
13 MAY 2026
AFA Headquarters Center, Crystal City, VA (DC area)

2026 THEME: Unmanned Air & Space Flight-1915-2025

Anyone may attend the Symposium. There is no requirement to present on a panel. For those willing, there will be a few slots for volunteer panel Chairs who will see that timing rules are followed. All attendees must be registered to attend the symposium daily sessions.

AFHF is looking for panel proposals related to the early history of unmanned aircraft, museum collections of unmanned aircraft, operational uses of unmanned air and space flight during the past century. Accepted panel proposal chairs will be notified by mid-Jauary 2026.

[EVENTS - Air Force Historical Foundation \(afhistory.org\)](http://afhistory.org)

\$120 REGISTRATION FEE INCLUDES:

Access to all panel sessions

Gourmet Boxed Lunch for working lunch session

Post-event password protected panel recordings

\$50 Discount off registration price for the AFHF Annual Awards Banquet on 14 May (Location TBD in DC, formal). Details to follow soon.
